## Introduction

Housing costs in the San Diego region continue to rise at an unprecedented rate. In response to the need to find safe and affordable housing in a tight market, a variety of public and nonprofit agencies in San Diego County offer services to assist individuals and families in obtaining and maintaining adequate housing.

The Rental Assistance and Affordable Housing Directory was prepared by the Housing Authority of the County of San Diego to provide residents and the community agencies that serve them with information on affordable housing resources available to low and moderate income households.

## Fair Housing

State and federal Fair Housing laws strive to reduce housing discrimination in the housing rental, sales, lending, and insurance markets on the basis of race, sex, color, religion, national origin, familial status (presence of children), or handicap.

# County Rental Assistance FAQ

## What kind of rental help is available?

Housing Authorities manage the Section 8 Housing Choice Voucher, Project Based Voucher, and other housing programs as directed by HUD and State or local authorities. These programs provide rental assistance for low-income and other vulnerable populations. You may qualify for a number of rental assistance programs. The amount of rental help is based on your family size and income. Refer to the program descriptions in this guide for details.

## What areas does the Housing Authority of the County of San Diego (HACSD) serve?

The HACSD has a jurisdiction that includes the unincorporated areas of the County of San Diego, and the cities of Chula Vista, Coronado, Del Mar, El Cajon, Escondido, Imperial Beach, La Mesa, Lemon Grove, Poway, San Marcos, Santee, Solana Beach and Vista. The cities of San Diego, Carlsbad, Encinitas, National City, or Oceanside have their own application process for programs within those areas.

## What are the income limits for Rental Assistance?

You may be eligible if you have income below 50% of the Area Median Income referenced in the HACSD website ([www.sandiegocounty.gov/sdhcd/rental-assistance/income-limits-ami](http://www.sandiegocounty.gov/sdhcd/rental-assistance/income-limits-ami)). At least 75% of those who use Section 8 Housing Choice Vouchers must be extremely low income, with income below 30% of the Area Median Income.

## **Section 8 Housing Choice Vouchers**

The Housing Choice Voucher (HCV) program, commonly referred to as “Section 8,” is a federally-funded program that helps low-income families and individuals with the cost of their rent to ensure they are living in healthy, safe housing. Issuance of new vouchers is primarily based on availability of vouchers and federal funding.

## **Project-Based Housing Choice Vouchers**

The project-based component of the HCV Program allows rental assistance to be attached to a specific unit and/or project instead of to an eligible assisted family. The project may be owned by any individual, corporation, trust, partnership, non-profit entity, as well as by the Housing Authority of the County of San Diego (HACSD), excluding those sanctioned from participation.

## **Public Housing**

The HACSD fully owns and operates 121 public housing units located in four different sites in Chula Vista and 38 farm worker housing units located in San Marcos. Of the four sites in Chula Vista, one provides housing for seniors and disabled participants. The other Chula Vista rental units are available to low-income families. The San Marcos property is available to low-income families whose income is derived from the agricultural industry. This complex is administered under the guidelines set forth by the United States Department of Agriculture Rural Development Agency.

## **Moderate Rehabilitation Program**

The HACSD administers the Section 8 Moderate Rehabilitation (Mod Rehab) Program, which is a project-based assistance program that has long-term contracts with private rental housing owners to set aside a number of rental units for eligible low-income families. Assistance is limited to properties previously rehabilitated pursuant to a housing assistance payments (HAP) contract between an owner and a Public Housing Agency (PHA).

## **Housing Opportunities for Persons with HIV/AIDS (HOPWA)**

HOPWA was implemented as part of the Housing Opportunities for Persons with AIDS Act of 1990. The program authorizes HUD to provide States and localities with the resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of persons with acquired immunodeficiency syndrome (AIDS).

## **Veterans Affairs Supportive Housing (VASH)**

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program combines Housing Choice Voucher (HCV) rental assistance for homeless veterans with case management and clinical services provided by the Department of Veterans Affairs (VA). VA provides these services for participating veterans at VA medical centers (VAMCs) and community-based outreach clinics.

# Affordable Housing FAQ

## **What is affordable housing?**

The U.S. Department of Housing and Urban Development (HUD) defines "affordable" as housing that costs no more than 30 percent of a household's monthly income. That means rent and utilities in an apartment or the monthly mortgage payment and housing expenses for a homeowner should be less than 30 percent of a household's monthly income to be considered affordable.

## **Who offers affordable housing?**

Property management companies and private landlords may operate affordable apartment communities that are under contract to provide low income units for a specified period of time. The Affordable Housing Inventory below lists many of these properties.

## **How do I apply for affordable housing?**

Depending on the housing program you apply to, applications for an open waiting list will be available from an affordable apartment community's management company or landlord.

## **What is an income limit? What does an income limit mean?**

The income limit for an affordable housing program is the maximum amount of gross income a household can earn based on a city or county's Area Median Income (AMI). Programs vary in the income range requirements.

**For more information on the San Diego County Area Median Income (AMI) and income limits, please visit our website: [www.sandiegocounty.gov/sdhcd/rental-ssistance/income-limits-ami](http://www.sandiegocounty.gov/sdhcd/rental-ssistance/income-limits-ami)**

***Names of affordable housing communities are listed in the following pages. Please contact the individual communities for more information, as well as clientele definitions.***
